Second Letter re: Deposit Account Credit

February 13, 2009

Sir:

This paper is being filed as a follow up to the original Letter re: Deposit Account Credit request filed on September 13, 2007. In the original request, it was noted that Applicants received a credit for \$1,500.00 in connection with the above-identified application on March 23, 2007. The credit breakdown is as follows: \$1,000.00 for claims over twenty; \$1,000.00 for independent claims over 3; a charge of \$100.00 for claims over twenty; and a charge for \$400.00 for independent claims over 3. As noted above, this leaves a total credit of \$1,500.00.

Based on this credit, it appears the U.S. Patent and Trademark Office calculated the claims based on the original claims instead of the claims as presented in the Preliminary Amendment on June 21, 2006. Correction is respectfully requested.

If any fees are required in connection with this paper, please charge Deposit Account No. 50-2866.

Respectfully submitted,
